Medical Marijuana

Results from the survey 175 no and 132 yes responses.

Motion by Simons 2nd Bennett we recommend that the Gun Plain Township Board of Trustees not do anything with the Medical Marijuana License Facilities Act 281 of 2016, by having the Gun Plain Township Board of Trustees pass a resolution not to "opt in". Our finding is that it is against Federal Law, our survey resulted in 307 responses, 175 said no, which is a majority. State seminars show no benefit to a community, the Allegan County Commission and Sheriffs Department are not in favor of having Medical Marijuana Facilities and LARA does not have a clearly defined implementation program.
