

## Minutes of the Gun Plain Township Zoning Board of Appeals – June 17, 2010

Meeting was called to order by Chairman Kellogg at 7:00 a.m.

Members Present and Introduction: Rob Busk, Tim Oosting, Ron Kopka, Jack Kellogg, Connie Haan  
Supervisor: Mike VandenBerg  
No Public  
Applicant: Cathy Dunn

Minutes of the July 2, 2010 – Motion Oosting/Busk to verify the Minutes of the July 2, 2009 meeting were approved on July 15, 2010. Motion carried.

Chairman Kellogg explained the board procedures and introduced Cathy Dunn applicant.

Agenda Item: Request from Cathy and Richard Dunn for a sign variance on the south wall of the building (Fly In Restaurant) at 626 N. 10<sup>th</sup> Street, Plainwell, MI 49080. Parcel no. 08-018-024-10.

Cathy Dunn presented a diagram to the board showing the sign, as it would be placed on the building. The overall theme is a plane landing or “flying in” The plane size as requested is an 8 foot wing span and an 8 foot plane. The area of a sign on a building is calculated based on the size of the building wall it will be placed. This would not be a square sign and the area would need to be calculated based on the actual square footage of the sign, The artist creating this plane is Conrad Kaufman a well know Kalamazoo artist.

After discussion the board requested more information on the actual area of the plane. Mrs. Dunn will speak to the artist to see if the square footage can come closer to the allowable size. The board consensus is this is a unique sign and goes well with the sign in front of the building.

Motion was made Kopka/Oosting to table this request for further information on the plane size and reschedule a meeting for June 24<sup>th</sup> at 7:00 p.m. Motion Carried.

Motion Kopka/Busk to adjourn at 7:30 p.m.

Respectfully submitted,  
Connie Haan
